Mr. Neville F. Bothwell, Alberta manager of BACM Ltd., presents a gift amounting to \$3,200 to Mr. John de Bruijn, chairman of the Arena Board. The presentation took place Friday morning in the arena. BACM's donation to the arena in St. Albert consists of a cheque for \$2,000 and material in the form of ready-mix concrete for the floor, amounting to \$1,200. The firm is presently developing the Lacombe Park subdivision in St. Albert. Chairman de Bruijn whose board is presently trying to raise about \$25,000 to complete the arena, shows his obvious pleasure in accepting this generous donation.

Those Rags and Bottles rolled in

Boys of the Third St. Albert Group of cubs and scouts put in a hard day's work last Saturday, but they were thrilled with the results. The fellows, assisted by their leaders and parents collected

and sorted twenty-one thousand, two hundred and forty bottles and 450 pounds of rags, at a value of \$590. After expenses are met they will have about \$550.

The money will be used to

support the spring cub rally for Landing Trail District, the June Cub Camp, the Scout Camporee and to purchase books and equipment used for the group's training programs.

Leaders who organized the drive and boys and parents are warm in their praises of the wonderful co-operation they received from throughout St. Albert.

adults.

First program in the series will be held November 4 in the Nickerson school from 9 - 10 p.m. when Mrs. Joan Jakes will be the speaker. Topic is the Importance of Communication within the family. The remaining programs in the series will be held on Nov. 12, 18 and 25.

Board asks public to help complete arena

Mr. John de Bruijn, chairman of the Arena Advisory Board, reports with regret that donations have been considerably short of expectations, and consequently work may be delayed towards completion of the arena. The board met Wednesday evening last week.

When the contract was let for the arena shell and lighting, funds available just barely covered these two items, said Mr. de Bruijn. Sometime after this contract was awarded, the St. Albert Kinsmen Club, with tremendous community spirit, informed the board that they were considering donating an artificial ice plant, and asked for the board's opinion of this possibility. Needless to say the board accepted this generous offer and began further planning with the ice plant in mind. It was felt that with donations from service clubs, businesses and private individuals, the arena could be completed with plant this year.

Mr. de Bruijn pointed out that the artificial ice plant introduced approximately \$40,000 extra cost for the arena. Bulk of this cost is for installing a sub base floor, concrete melting pit, and a small outside building to house the condensers. The board was quite confident they could tackle all of this and not run into financial difficulties, Mr. de Bruijn said. However donations have not come up to expectations and without further help they will have great difficulty building dressing rooms and bleachers.

Attempts to arrange interim financing are presently being made. The board hopes the shortage of funds will be overcome by a door-to-door campaign, and Mr. Al Laplante is heading up this drive. Mr. Laplante will welcome help from volunteers to assist with this canvass and anyone willing to help is asked to telephone him at 599-8501.

Citizens are asked to respond cordially to the canvassers, and to get behind this final push for an artificial ice arena which will mean so much to the community. The Arena Board is hoping to collect \$25,000 through this means.

Donations given to this canvass may be looked upon as an investment. The returns will come through giving our youngsters the kind of worthwhile sport activity and training which will direct their limitless energy into worthwhile channels.

Ambulance Service gets Go-ahead

South Side Ambulance Service are to receive the go-ahead from St. Albert town council for the setting up of

their services in the town. The company will not, however, be receiving a franchise for the operation of

their ambulances and they will be considering council's offer.

Pioneer family in 5th generation

As Mrs. Joseph Paquette approaches her 88th birthday on Nov. 7, she has a rich storehouse of memories as a pioneer of this district, surrounded by a family now in its fifth generation.

Leona Granger came from Kansas with her parents to a farm in the Riviere Qui Barre district when she was 10 years old. After her marriage to Joseph Paquette in 1902 she moved to the town of Riviere Qui Barre where her husband operated a barber shop and pool room. Later he sold this business and purchased a general store in the town which he operated until 1945, when the couple moved to Edmonton and Mr. Paquette continued in the store business until his retirement. He died in 1959.

The couple raised a family of seven: Mary Louise (Mrs. Pete Shehan) at Riviere Qui Barre; Clarinda (Mrs. Joseph Savole) and Genevieve

(Mrs. Ernest Comeau) both of Edmonton; Maryann (Mrs. Leonard McNamara) of Dawson Creek, B.C.; Tony, who died in 1945 (he married Laura Hebert); Florence (Mrs. Wilfrid Dumont) of Wabamun; and Wilfred, (married Rolande Verstraete) in Edmonton.

Their daughter Clarinda was married twice. Her first husband was Omar Boddez and the couple had two daughters, Jean (now Mrs. Jack Boser) and Pauline (Mrs. Robert Comeau of Ponoka). When she later married Joseph Savole, he had two sons, Ed and Armand and three daughters, Jeanne (Mrs. Hough), Edith (Mrs. Charuk) and Alice (Mrs. Howe). Another son, Marcel was born to this second marriage.

Mrs. Paquette now has a grand family numbering six children living, 26 grandchildren, 71 great grandchildren and one great great grandchild.

This five-generation photo will be of interest to many district people. Mrs. Leona Paquette who will celebrate her 88th birthday next Wednesday, settled in the Riviere Qui Barre district in 1892. Pictured with Mrs. Paquette are her daughter, Clarinda Savole, 66, left, granddaughter, Jean Boser, 43, centre, great grandson Bernie Formanluk, 23, holding great great grandson Scott Formanluk, seven months old. The picture was taken Thursday evening at Yerville Home in St. Albert where Mrs. Paquette resides.

anybody seen this dog?

Believed responsible for half the town's mongrel dog population, a little black and white terrier has been on the loose in St. Albert for the best part of a year now.

Subsisting on the scraps left by other dogs or people's generosity, the dog is thought to be ownerless. He roams all over town but is often seen in the area around Ball Avenue and Randall Road. He is about the same size as a dachshund, with medium long hair, small pointed ears and a grey muzzle, and anyone seeing a loose dog answering to this description should telephone St. Albert's Dog Patrol Officer, Mrs. Anne Marie Elkins, at 599-6788.

Gazette compositor and photographer marries

Reverend Oswald assisted in the service at Central Pentecostal Tabernacle in Edmonton.

Following the ceremony wedding guests passed through a receiving line in the foyer of the tabernacle and were introduced to the parents of the bride and groom, the bridal party and the newlyweds.

Wedding supper was served to 187 guests at the reception held in the Musonic hall in the Highlands district. St. Albert guests included members of the Gazette staff and Mr. and Mrs. Ray Gibbon.

Danny has been a member of the Gazette staff since February of 1967, and is well known to many town and district people.

SENIOR HIGH ELECTION RESULTS

This year an entirely new system, to this school, was used for our elections, instead of putting different people in for various positions we chose to use the slate method whereby you vote for a group of people who will make up the executive. Grade representatives were voted for individually.

There were a total of three slates running. Each was involved in a campaign for the executive but only one

emerged the winner. These people will hold office until spring when there will again be another election.

While in power this slate will form a new constitution for the school and will determine whether or not the method of using slates will remain.

Our executive is as follows: executive chairman, Brent Wells; president, Don St. Hilaire; vice-president, Julian Romanko; secretary, Lea Shalem; treasurer, Marie Garland; purchasing agent, Jonalan Oddleifson; social convener, Denise Sam-

mer; public relations, Bill Fowler; sports, George Bonneville.

Grade 10 reps: Craig Vest, Christine Olsen and Ken Wick.

Grade 11 reps: Ariene Olson, Sheila Dalphond and Dennis Chumney.

Grade 12 reps: Pat Gleason, and Dennis Dalphond. Approximately 75 per cent of the students turned out to vote.

Mr. and Mrs. Soccer put St. Albert on the map

Mrs. Kay Hopkins presenting the Hercules Challenge Cup to Spurs Captain Paul Raboud whose team won the Atom B playoffs.

Three years ago soccer in St. Albert was a small concern. Groups of boys were to be seen kicking a ball around on the town's playing fields, but their games were largely unorganized and without purpose.

The phenomenal growth in three years of 17 teams comprising close to 300 boys is largely due to the efforts of two people - Mr. and Mrs. Lloyd Hopkins, of 17 Geneva Crescent.

Formerly of Sussex, England, Mr. and Mrs. Hopkins emigrated to Canada in 1958. They were both keenly interested in sports - Mr. Hopkins playing soccer in the army and for several leagues in Brighton, and Mrs. Hopkins holding the school-girl record for the 100 yard sprint and representing Sussex in the All-England championships.

The Hercules Sports' Association, which first took an interest in soccer playing in St. Albert, had been inactive for some time when the Hopkins' started their efforts and, as Mr. Hopkins put it, "the thing just snow-balled." Starting with 13 boys in the pee-wee age group, 10 - 12 in 1967 St. Albert won the Edmonton Pee-wee League, the Edmonton Challenge Cup and the Provincial Championships.

St. Albert's soccer team members range in age from 5 to 16. They are the Atoms, aged 6 to 10, the pee-wees aged 10 to 12, bantams aged 12 to 14, midgets aged 14 to 16, and the juniors aged 16 and over.

"St. Albert is unique from the point of view that we have more children playing organized soccer than any other community I know," said Mr. Hopkins. "Our ground facilities are second to none. In Edmonton, now,

Lions under coach Geoff Williams won the Hercules Challenge Cup Trophy for winning the A Division of the Atom Soccer playoffs. Team members are (back row, left) Lucien Fackole, Brad Neeser, Warren Brown, Doug Bendera, Ian Sturges, Kevin Telford, Ian Williams, Rodney Lyle. Front row: Brian Telford, Slater, Neil Langford, Craig Snellon, Randy Fisher, Chris Odlinga. Coach Geoff Williams.

Lions capture challenge cup

Lions under head coach Geoff Williams took a 5-0 drubbing from second place Hawks, Saturday, but managed to win the Hercules Challenge Cup as they outscored the Hawks 10 - 9 in the

three game series.

Hawks, coached by Hugh Hopkins, went into the game knowing they had to win by seven goals and very nearly did it. Martin Holden scored three times and Doug Nixon

twice, but their rally fell short as the Lions came on in the last few minutes to hold off the determined Hawks.

The game was officiated by Tony Holden.

Spurs club wins soccer cup

The St. Albert Hercules Challenge Cup for Division B was won by the Spurs, coached by Brian Kane.

Spurs won their third

straight game with a 3 - 0 win over the Mustangs who are coached by Tom McKendry.

Brent Biollo, Tim Schrae-

der and Mark Alderton scored for the Spurs.

Mustangs finished second in the Challenge Cup play followed by Rangers and the Bombers.

they have senior and junior high school soccer leagues. I would like to see this come to St. Albert."

Having set soccer on its feet in St. Albert, and got it going to the point now where a St. Albert soccer team is a force to be reckoned with, Mr. and Mrs. Hopkins are both still actively involved with the

teams. At the edge of the pitch at every game, Mrs. Hopkins is to be found with soft drinks or bandages for 'her boys,' depending on their needs of the moment, while her husband stands, coaching the teams on to victory.

They feel that when youth today has so many diversionary activities that could

be occupying time, soccer is one of the healthy, physical means of recreation which keeps young men off the streets and gives them a sense of the team spirit.

Mrs. Rene Laird, recreation co-ordinator for the Town of St. Albert, has been closely associated with Mr.

and Mrs. Hopkins for several years.

"I always think of them as Mr. and Mrs. Soccer," she said. "They are absolutely devoted to the youth in this town - a most dedicated

couple. They have made St. Albert soccer into a force to be reckoned with in the province."

Mrs. Laird described a soccer match that she had seen last year when the midgets played their coaches. Mr. Hopkins was in the coaches' team, and Mrs. Hopkins, as coach for the midgets, was encouraging "her boys" to victory. "Come on midgets. Come on midgets," she shouted, and, a little later, "Don't hurt my husband."

"Mr. Hopkins was a darn good player in his day," said Mrs. Laird, "and he still is."

"The future of soccer in St. Albert is very promising," said Mr. Hopkins. "We have in our coaches and parents associated with the game, an enthusiastic group of people, and I think, and hope, that soccer here will go from strength to strength."

Family honours Montpetits

LEGAL -- Father Blissette celebrated last Saturday's evening mass in honor of Mr. and Mrs. George Montpetit's 25th wedding anniversary. Serving mass were their grandchildren Leo and Adrien Pelletier and George and Harvey Montpetit. Music was by organist, Mrs. Bernard Montpetit, Antoinette Montpetit at the violin and soloists Bernard, Lucienne, Margo and Patricia Montpetit.

A family reunion was held

at the Recreation Centre with Bernard Montpetit as master of ceremonies. He congratulated the honored couple and presented them with a lovely silver plate with the children's names engraved on it. Edmon Brosseau proudly greeted his grandparents and presented them with a souvenir from their 26 grandchildren.

Following an evening of reminiscing, singing and dancing a delicious lunch was served and enjoyed by all.

Animal rescue fund is started

Going under the name of the St. Albert Animal Rescue Fund, a bank account has been started at the Bank of Nova Scotia, Grandin Shoppers' Park, by Mrs. Anne-Marie Elkins, St. Albert Dog Patrol Officer.

While carrying out her duties as dog patrol officer, Mrs. Elkins encounters many animals in need of immediate medical or boarding facilities. Sometimes they have been injured and urgently require a veterinarian's assistance, or maybe their owners have

been hurt in a car accident and the animal is temporarily without a home. In such emergencies, a fund of this kind would prove invaluable, and it is for this purpose that the fund has been established. The account number is 3679, and any donations would be most welcome.

Ed Howorko, coach of the Twins who won the bantam baseball league title, receives the Doug Millroy Trophy from Mr. Millroy, left.

Eskimos' Paul Garrick accepts the Lions Club Trophy from Chester Cunningham for his team capturing the mite baseball league crown. Baseball Chairman Perry Billingsley looks on at right.

Baseball banquet draws record crowd

Minor baseball came to a close last Sunday, (in weather that was more suited for hockey) as the St. Albert Lions and Knights of Columbus clubs held their annual banquet at the Club Mocambo. A record 275 boys and parents braved heavy snowfall to pay tribute to winning teams.

At the head table were Mr. and Mrs. Tiger Gold-

stick, of CFRN, Mrs. Rene Laird of the recreation board, Lions president Glen Ward, Lance Cote, Chester Cunningham, Harry Pudlowski and Bob Prather. Baseball chairman Perry Billingsley chaired the event.

Chester Cunningham presented the Lions Club Trophy and player crests to Paul Garrick, coach of the Eskimo-

mos who won the mite league championship.

Harry Pudlowski presented the Knights of Columbus Trophy and player crests to Vince Ratchinsky, coach of the Reds who won the K of C division of the Little Canadian league.

Angels coach Armand Lacoursiere accepted the Ber-

mont Trophy and crests from Lion President Glen Ward as the Angels won the Lions division in the Little Canadian league.

Shortly after Doug Millroy presented his own trophy to Twin coach Ed Howorko for winning the bantam division, the lights went out and the remainder of the program was held in partial darkness.

Chairman Perry Billingsley presented the traditional Lions Club Mug to Lance Cote in appreciation for his work.

Head table guest Chester Cunningham spoke of how baseball has progressed in

St. Albert over the years, recalling that in 1949 he was a pitcher on the only team in town. He remembered having to recruit a local fan from the Bruin Inn to umpire a game, on the condition the umpire would only be available for one hour while the bar was closed for supper. Chester wound up with 17 strike-outs that day, but states it was also the shortest game he ever played, and no doubt he was helped out on a few calls.

Chester also spoke of retiring from active playing as he has been approached by the Alexander Reserve to

take over their junior team which went to the Alberta finals this year.

Well known sports personality Tiger Goldstick (now a resident with his lovely wife Hazel) spoke to the boys. He pointed out how valuable it was to remain in school and obtain a proper education before jumping into the play for pay ranks. Tiger has seen many an athlete come out of pro sports and end up with nothing, as he had no education. School principal Bob Prather was in full agreement.

Perry ended the affair with a thanks to all coaches, umpires and his executive for their work that made the season a great success.

Comets enter new league

Jake Vaugeois, president of the St. Albert Comets Senior Hockey Club, announced last week the team will perform in the eight team 28 game Edmonton Central Hockey League for the 1970-71 season. Other league members are - Edmonton Nit and Bolt, Ray's Esso, Nanao, Sherwood Park, Ledue, Stony Plain and Spruce Grove. The last two teams are also in their first year

as they were with the Comets last year in the Sturgeon River League.

The move will probably cause the SRL to disband as the Westlock club has also joined a new league. Comets defeated the Westlock club last year in a very close seven game series to win the league title.

The dual roll of general manager and coach has been turned over to Ron Yanosik

this year. Yanosik was a defenseman with last year's club, coached by Ken Schwartz.

Coach Yanosik has been in touch with a number of new players that he expects to sign shortly. Just about all of last year's team will be invited back to try for positions on the club, which plays its first game the first week in November.

Last year's most valuable player and all-star defenseman, Richie Perrault, is trying out with the Edmonton Monarchs club and looks impressive on the blue line. Should Perrault not make the team he will be back with the Comets.

Five-year veteran Dave Joyal has bad knees and will probably hang up the blades.

Rene Poullot will again handle the equipment manager chores and drive the team van.

Comets get going

St. Albert Comets Senior hockey team will hold their first practice of the season this Friday at the University of Alberta Arena at 9 p.m.

Coach Ron Yanosik states all positions are open and players are asked to bring their own equipment.

A small boy debunked the talk about a painless dentist in his neighborhood. "He's not painless at all," said the youngster. "He put his finger in my mouth and I bit it and he yelled just like anybody else."

Intently listening to a halloween story read by Mrs. Audrey Wood, a volunteer helper at St. Albert Public Library, are 42 children of St. Albert Creative School's Society. The children of the nursery and kindergarten were given a story, a tour of the library and a talk on how to handle books, when they visited the library from 10 to 11:30 on Friday morning. In the afternoon two kindergartens from the society enjoyed a similar program.

Mrs. Phyllis Cairns is presented with the prize she won on the Youville Home Money Doll, by Mrs. Irene Cherkas.

The Marguerite d'Youville Auxiliary tea and bazaar took place on Sunday, October 25, from 2 to 5 p.m., when many ventured out in the bad weather to view and buy the many articles on display. For some, with power failures and lack of water, it was a chance to enjoy the warmth of a good hot cup of tea or coffee in the Youville Home. To all these people we say "thank you" for coming, as without you our day would have been a failure. We also would especially

like to thank the Sisters of the Home, our ladies of the auxiliary, our 'pourers,' and all our friends and relatives who helped so much, particularly with the baking. The Money Doll was won by Mrs. Phyllis Cairns of 18 Sorrell Crescent, and the hand-made quilt was won by Mrs. A. Bockholdt of 9 Glenmore Crescent. The winning tickets were drawn by little Maureen Whelan. Again, to all, our heartfelt thanks.

Adult High School Equivalency Diploma

Maturity, travel, reading, leisure courses and other qualifications will now be accepted as credits towards a new adult high school equivalency diploma, announced by Education Minister Robert Clark.

Mr. Clark said the new

diploma, which is distinct from the regular high school diploma, will recognize a variety of educational experiences and will make it easier for adults to present employers with improved qualifications.

Mining Experts Visit Britain

A party of 14 Canadian mining specialists, representing some of the country's principal coal-mining companies, are visiting Britain until the end of the month. They are inspecting ad-

vanced techniques and machinery at National Coal Board installations in England and Scotland, and are also visiting, between them, nearly 30 manufacturers of mining plant and allied equipment.

Noise the Pollutant

When considering pollution, many people do not realize that excessive noise is a pollutant. Since our minds can ignore it while our bodies still suffer, too much noise is apparently taking a heavy toll of human health. The most pro-

nounced physical effect of noise is damage to the ear. Exposure to intense noise over varying durations causes partial and in some cases permanent hearing loss due to actual cell damage in the organ.

Disposable Brollies

A Tokyo company has come out with a line of disposable paper umbrellas, retailing at about 27 cents

each. The collapsible fold-aways can be carried in a pocket or handbag and are sold in supermarkets.

Mrs. Annemarie Elkins, St. Albert's Dog Patrol Officer and her two father-and-son Alsatians.

Pet Notes

By Mrs. Annemarie Elkins
Last week Dr. Elizabeth Metz of St. Albert Animal Clinic treated three dogs who had been injured after being accidentally dropped by their owners. Children, particularly, should always play with animals on the floor, to avoid this type of accident.

This is not the time of year to try to train a puppy to be an outside dog. Also, now that winter is setting in, it is inadvisable to leave dogs outside on chains as they cannot move around sufficiently to keep themselves warm. Cats also suffer from the cold in this weather, and there have been a number of accidents involving cats

who have climbed under the hoods of cars to keep warm. Car drivers are asked to check underneath the hood before starting their carengines.

In the event of someone being bitten by a dog, they should immediately seek medical advice and then contact Mrs. Annemarie Elkins at 599-6788.

Liberal Rally in Ottawa

Edmonton West Federal Liberal Constituency recently held two well-attended meetings to formulate resolutions for presentation to the Party's November National Policy Rally in Ottawa.

Edmonton West's resolutions will be debated by over 3,000 delegates from across Canada, who will be planning Liberal policies for the 70's and electing a new national executive.

Wheelchair Sailors

A sailboat specially designed for operation by those confined to wheelchairs sails up and down England's River Thames. Named "Sparkle" after the sponsoring organization SPARC (Sportsmen Pledged to Aid Research into Crippling), the vessel, being a catamaran, stays on an even keel in the stiffest

breeze. Its galley has wide cupboards, plenty of handrails, and a sink with room for a wheelchair to fit underneath it. Sailors can also pilot and navigate the craft from their wheelchairs on deck. SPARC hopes 'Sparkle' will make the public realize that people in wheelchairs are not second class citizens.

Students Honoured at Sturgeon Annual Awards Night

WINNERS OF GRADE 12 - \$200 SCHOLARSHIPS.

Cunningham School elementary students present "A Teasing Drill" in pantomime.

Four Grade 12 students of Paul Kane High School and St. Joseph's High School were awarded \$200 scholarships when 63 students of the Sturgeon School Division received awards at Horse Hill School on Friday night.

They were: Gerald Paradis, of Horse Hill, with an average of 86 per cent; Michele Lamoureux, of Horse Hill, with 85.2 per cent; Elaine Tomten, of Camilla, with 83 per cent and Trevor Maine of Mission Park, with 82.6 per cent.

Six grade nine students also received \$25 each. They were Donald Cytko of Bon Accord; Violet Brennells of Camilla; Eugene Krupa of Gibbons; Judy Pukalo of Horse Hill; Wanda Brown of Mission Park and Lauren Miller of Namao. They also received medals presented by the Sturgeon Local Alberta Teachers' Association.

The two Mary Anne Tanskiuk Memorial Scholarships of \$60 and \$50 were awarded to John Allyn Allison, of Gibbons, and Lauren E. Miller of Namao, respectively.

After the presentation of these awards Mr. Keith Everitt, MLA for St. Albert spoke to the students. He said that students who had received an award for an average of only 50 per cent,

when they had really worked for their marks, was more deserving of an award than somebody with 90 per cent who had made no effort to do well.

The Murray Legate awards for Gibbons School were presented to John Allyn Allison and Eugene Krupa.

About 450 people were present at the annual awards night, and they were entertained by the students of several schools. Grades four to seven of Mission Park School sang "The Whistling Gypsy Rover" while elementary students of Cunningham School gave "A Teasing Drill" in pantomime. Patricia Ward of Namao School played a "Sonatina in C" on the piano and Gibbons school grade six students sang "Wacky Brown" and "Raindrops Keep Falling on My Head."

Junior high school chorus groups of Bon Accord School, Horse Hill School and Camilla School, gave "Snowbird," "Blowing In The Wind," and a medley of "College Song From Canada," "Down the River" and "Black Eyed Susie."

The 53 students awarded academic pins, medals and medalist pins were:

Bon Accord: Gail Fermanluk, Carol Hodgins, Jean Fearley, Shirley Schum-

mer, Donald Cytko.

Camilla: Dawna Brennells, Gyle McDonnell, Annette Kramps, Carol McDonnell, Anne Marie Link, Karen Durling, Sheryl Kyle, Margo Link, Violet Brennells.

Cunningham: Sharon Saunders, Sharon Van Brabant, Shirley Weiss, Lorraine Bokenfohr.

Gibbons: Eugene Krupa.

Horse Hill: Michele Lamoureux, David Lamoureux, Claudette Courchesne, Edith Paradis, Darrel Schlereth, Jerome Lamoureux, Beverly Bychok, Marlene Peterson, Lorraine Serben, Roy Van Boom, Marie Engels, Judy Pukalo.

Namao: Marie Hoogenboom, Judith Pretzlaff, Audrey Gibson, Pank Gee, Joanne Sutton, Rebecca Thirlwell, Deborah Eglinski, Gail Shettler, Francis Huber, Gerald Grant, Lauren Miller.

The Sturgeon Division schools include only Grades 1 to 9. Senior high school students attend Edmonton or St. Albert schools, under tuition arrangements between the division and these other jurisdictions.

Morinville district

The reason the Morinville Red Cross Blood Donor Clinic scheduled for Wednesday Oct. 28 has been cancelled is because there is no guarantee that the hall could be heated and working conditions for the blood clinic prepared in time due to the blizzard of last weekend. A new date will be announced as soon as possible.

Congratulations to Mr. and Mrs. Hubert Seel (Betty Kleser) of Invermere, B.C. on the arrival of their son on Oct. 25.

Mr. and Mrs. Ralph Krauskopf welcomed another daughter Neldi on Wednesday Oct. 21.

There will be a Red Cross Blood Donor Clinic held at the Namao School Gym on Monday, Nov. 9 from 6:30 p.m. to 9:30 p.m. for all those who can attend from the district. For more information contact Mrs. Betty Lou Kindlemann at Namao.

Several officials from

Morinville and MD of Sturgeon will attend the annual Municipalities Convention in Calgary. Among those going are Mayor Art Stapleton, P. E. Brochu, secretary; and councillors Roger Champagne, Mrs. Anne Maslyk and Frank Sale. For the MD Reeve Laurence Kluthe will head the delegates accompanied by secretary, Alphonse Nobert, and all the councillors are scheduled to attend.

Congratulations to Mr. and Mrs. Karl Maslyk who celebrated their 25th wedding anniversary on Saturday, Oct. 24. They were presented with a silver cutlery set and other gifts at a social evening in the Morinville Centre with Mr. John Saunders as master of ceremonies.

On Wednesday, Oct. 21 a form was held at the Georges P. Vanier gym. The subject of discussion was "Should religious instruction be made compulsory in high school." Some 50 adults

attended the forum and a good number of students of all ages were present.

Mrs. Marie-Paul Kremer left last week for Paris, France, where she will visit with relatives until the New Year. In December her husband Mr. Gaston Kremer accompanied Mr. and Mrs. Joffre Kremer will fly to Paris for the Yuletide Season when they will see Paris in all its splendor.

The blizzard which paralyzed the district from Sunday to Wednesday of this week, is according to the old timers, the worst since 1922. Many had no power from Sunday to Monday evening. Many with small children suffered hardships and real discomfort. A very special vote of thanks goes to the crew of the Calgary Power from Morinville and their helpers who worked for 48 hours to give the best services possible, against impossible odds in towns and country. The people of the district found out that without electric power the whole system of life is disrupted. No power, no water, no heat for many. What if war came and this same situation remained for months? Then what?

Bon Accord plans new sidewalks

Council at its monthly meeting on October 14 decided to spend the Department of Highways Grant for Street Assistance Program \$12,000 for sidewalk construction. Council interviewed Mr. W. J. Francel of Francel and Associates Consulting Engineering with a view to establishing the feasibility of the project.

Tentatively, council has decided to run a sidewalk along Railway Street from the highway at the school to Third Avenue (Irman's Corner). Then along Third Ave. to the hall. A second walk would continue from the store to Fourth Avenue and up Fourth Avenue as far as finances permit or the Anglican Church. This fund has been accumulated over the past four years and must be spent in 1971 on a street program.

Mayor Brennan expressed his gratitude to the retiring councillor Mr. Bill Reynolds and welcomed the newly elected councillor Mr. John Pasemko.

Port

in a Storm

The safest place to be during an electrical storm is inside a car, especially if it is not a convertible. A bolt of lightning, striking the car, would be conducted along the steel body into the wheels, where it jumps the tires to reach the ground. The only way a car occupant could be hurt would be if they were touching metal inside the car.

Blood clinic at Namao

A Red Cross Blood Donor Clinic is scheduled for the Namao school gym for Monday, November 9 beginning at 6:30 p.m. until 9:30 p.m.

Babysitting services will be provided and refreshments will be served.

The quota for this clinic is set at 200 pints, for the donors from Bon Accord, Gibbons, Patricia, Sunny-side and Namao.

Since the Morinville Blood Clinic had to be cancelled at the last minute, due to local conditions following the blizzard last weekend, those who wish to give blood may do so at Namao on Nov. 9.

Registrations for the programs sponsored by the St. Albert Figure Skating Club is now over. Those who have registered will be notified later as to times of the various classes and these will start as soon as the ice is ready.

The learn-to-skate and power skating lessons will be held on Saturday mornings and the figure skating lessons during the week.

The children's gym class (8 - 12 year olds) held in Le Nickerson school on

Tuesdays will start in future at 7 p.m. and not 6:30 p.m. The drop-in program for the 13 - 15 year olds will start on the same evening at 8 p.m. There is no set program for the teens — group games and gymnastics are the order of the day.

for the season.

HERCULES SPORTS:

Basketball for boys between the ages of 12 and 16 years got off to a flying start last week and last Sunday Mr. John Field showed the boys a film of a game between the Los Angeles Lakers and the Boston Celtics — just to show them the heights they are aiming for! He intends showing more films on basketball as the season progresses.

Mr. Field is being assisted by Ernie Luliers, Hux Zylstra, and Jim and Bill Gosses.

The program is held on Monday and Wednesday evenings in Vital Grandin School from 7 - 9 p.m. and fees are due to be paid on Monday, November 2.

The annual Hercules membership fees cover all Hercules-sponsored activities and anyone with a membership can participate in the basketball, soccer, girls' softball and boys' and girls' table tennis programs.

A family membership costs \$5 and an individual membership costs \$3.00. If clarification is required, phone the department of recreation at 599-5901.

Table tennis will start on Tuesday, November 3 in the Clubhouse. As before, the 10 - 12 year olds will play from 7 - 8 p.m. and the 13's and over from 8 - 9 p.m.

Parents are again reminded that their help is needed with supervision. Please

phone the department of recreation and leave your name. Remember — they're your kids!

Badminton club members are reminded of the opening doubles tournament to be held this Tuesday, Nov. 3 at the Vital Grandin school at 8 p.m. Players of all levels of ability may enter. Since partners are selected according to ladder positions and will be picked from those there at 8 a.m. So if you want a partner please attend. (Prizes for winners).

Our mistakes are showing

In last week's Gazette we married our friend George St. Laurent to Louise Palletier of Vimy. George did marry a pretty girl from Vimy, but she was Jean Provincial and not Louise. Miss Palletier is soon to become bride of Norman Bissonnette of Morinville and we realize that it must have

come as quite a shock to both George and Norman to read in the Gazette that they were marrying different girls than was their intention. Sorry about that boys, but happy we are that you are both bringing a Vimy Beauty to Morinville, and along with our apologies we offer our congratulations to the four young people.

As if that wasn't enough we managed in the same issue to describe the graduation exercises at Georges Vanier school as the "gymnasium" exercises. It may be that Lorraine Mitchell, about as fast and accurate a copysetter as you will find in the business, rather husband's interests at heart. Larry is the sportsman for the Gazette and you know how they are about gymnasiums! At any rate a beautiful program has been planned for the "graduation" exercises on November 14 and all friends of the young students are invited to attend.

One doctor says he can cure a woman of just about any complaint simply by telling her it's a sign of old age.

Cardiff News

By Florence Vranas

The storm that struck Sunday was very unexpected and the resulting power failure found many homes lit by kerosene lamps and candles. No serious damage was reported here and the school children enjoyed the extra holidays with the closing of some schools. Toboggans and skis were quickly put to use.

Two men walked to their respective jobs. One four miles, the other two and a half. Some residents were unable to commute to work in the city and one family became stranded Sunday while visiting relatives and had to remain overnight.

On Friday, Oct. 23 the annual Sturgeon School Division No. 24 Awards Night was held at Horse Hill School. Two Cardiff and district young people were honored with awards for the term 1969-70. Shirley Weiss, grade 10 received an academic pin with an average of 80 per cent, while Sharon Saunders Grade 11 received same with an 80.4 average. Congratulations girls!

CALGARY POWER

As I See It

By Rose Martel

Last week the process of democracy was put to a test by the students of Georges P. Vanier high school in Morinville when they sponsored a public forum regarding religious instruction in high school. The theme of the forum was -- "Should religious instruction be compulsory or optional in high school?"

A panel composed of students and parents took part. Mr. John Saunders was chairman. Spokesman for the students were Sharon Saunders, Grace Morris and Marcel Chailfoux. Representing the parents were -- Mrs. Alice Woytkiw, Mr. Remee Bolssomault and Mr. Albert Craig. Also taking part were three religious teachers: Sister Karen, Paul Chailfoux and Gerard Lavigne.

Each had their say, for and against. East student gave reasons in favor of optional religious instruction, in well prepared, non-biased statements. The teachers supported their views, and also gave good reasons why compulsory religious instruction is not beneficial, if not appreciated at the high school level. It was also agreed that for some years religious instruction at Vanier has been very boring with no clear program.

After each panel participant had spoken his views, parents and members of the audience were invited to express their opinions on the subject. The general evaluation is that 90 per cent of those present were in favor of optional religious instruction in high school. But... the process of democracy was stifled and the people were not allowed to poll their individual support for the students suggestions. A single member of the panel supported by two members from the audience objected to a show of

hands from the audience, that could well have served as a directive for school board members, with no binding effects.

As I see it... I want to be counted with the young people who did what they were taught to do... use the proper methods of democracy to bring problems to a vote of the people concerned.

The fact that a single objection could stop the chairman from polling the audience was a lesson that many students will never forget. It showed the double standard of some good Christian propaganda. "Do as I say, not as I do."

It is regrettable that the three Tubbait school board members present did not

have the intelligence or intestinal fortitude to stand up and support the motion for a poll of all parents present since that was the object of the forum to begin with.

Yes, students of Georges P. Vanier, you saw democracy in action, and you are very disappointed to find out that a minority can control the majority. You must always remember that true freedom is a choice of two things... two rights... not a right and a wrong. Unfortunately some individuals never learn - they are afraid to change... they are only

good to dictate. And that is not democracy in action. To each and every student of Georges P. Vanier High School -- my message is this: Congratulations on an honest effort, you have lost a fight, but you may well win this war. The people are with you.
